Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: Claims 1-56 and 58-62 are allowed. As per claim 1, the prior art fails to disclose "upper level component that communicates with application programs, the upper level component submitting all file write requests to the remote component and submitting at least some file read requests to the local component." Independent claims 17, 34, 46, and 56 disclose similar limitations. Claims 2-16, 18-33, 35-45, and 58-62 are allowed due to their dependency on independent claims 1, 17, 34, 46, and 56, respectively. Examiner notes that claim 57 is cancelled by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chirag R. Patel whose telephone number is (571)272-7966. The examiner can normally be reached on Monday to Friday from 7:30AM to 4:00PM.
